Candidate Biographies

Linda Allen, VICTORIA, BC

I am a Canadian city planner with 30+ years experience in real estate related activities. As a co-principal of a firm of consulting community planners, a past President of my professional association, and the Chair of a local education charitable organization I have a clear understanding of the role and duties of a Director and, overall, of the value of good governance. I have been a Member of Club Intrawest since 2005 and am very interested in the Club's future directions as it positions itself for future opportunities. I am interested in standing as a nominee for the Board of Directors.

Glenn Berst, THUNDER BAY, ON

I have a background in capital projects, planning, and facility maintenance for public and private organizations combined with a strong commitment to ensuring quality, safe, and economical operations. My credentials include: a Business Management Diploma, Mechanical Technician Certificate, and an Architectural Engineering Technologist Diploma. I have represented various local and provincial organizations as a board member, group chair, and/or committee member.

Kevin Bickerstaffe, DUBAI, UAE

Member of three private clubs and held committee positions on all: Hollyburn Country Club, West Vancouver; Capilano Golf Club, West Vancouver; and Washington Athletic, Club Seattle Washington (past member of Board of Governors). I am a regular user of the Club, specifically Palm Desert and Mexico. I believe I have much to contribute as I carefully weighed up the benefits of owning a condo (have owned in Hawaii & Palm Desert), staying at hotels and buying points in Intrawest. I chose Intrawest several years ago and still think it was the right decision.

Dwight Cole, TORONTO, ON

I am a Technology Architect with over 17 years experience in the Technology industry. I feel that I can be a valuable addition to the Board. My wife and I recently completed a short film clip for the Club which will be used in every location telling why we bought into Intrawest and the enjoyment we get from it. Because of my technology background and architectural training I can look at the underlying infrastructure of the technology running the business and the cost of managing the package. I am a member in good standing of the Open Group, the Association of Open Group Enterprise Architect Professional (AOGEA) and a Certified Engineering Technologist. I have been doing consulting for the Fortune 500 companies for over 17 years with telecommunications, infrastructure, call centres and strategic analysis through architectural principles.

Reverend Carlton Toews, CULTUS LAKE, BC

2008 marks our family's 10 years of Club Intrawest Ownership. The years we have spent on vacation at many of our locations have all been fantastic. Whistler, Palm Desert and Zihuatenejo are on the top of our list. As an enthusiastic and proud owner I bring a family view to the table. As a Project Consultant for Childcare Worldwide my gifts of management and design would be a valuable tool for the Board. I serve a Community Church in Burnaby, BC on a part time basis that compliments my School & House Building Projects in Haiti and Mexico.

David W. Wetzel, HUNTINGTON BEACH, CA

I would love the opportunity to contribute to and help create the Club Intrawest experience for both current and future generations of Club Members. Having had both positive and less positive Club experiences, I believe I would be objective and well suited to assist the organization and continue its progress as one of the better values in vacation ownership. My goals and Club focus would be to create more personalized experiences and greater Club participation.
